Tier pack: Aspire route — Curate the studio showcase

Pathway: BASE · Week 7 Part 2 · Big question: How do we arrange and label our relief panels for a class art show?

Aspire route studio steps

Step 1: Fill in your detailed art wall label card. Help check the flat level straight line of the display.

Step 2: Write a big art show welcome card explaining how the class built 3-layer relief panels.

Step 3: Leave three technical praise notes bright lineing strong use of relief depth, foil pressing,. Dry-brushing.

Success check

Art wall label, art show welcome sign,. Three technical peer notes done.

Make-it studio planner

Design your art wall label card and art show praise note.

Options: Title: Iron arch Span, Title: Steel tower Grid, Title: Bolt dot Bridge wall, Title: Chrome truss Frame

Review checklist

[ ] Step back with the whole class to admire the finished art show wall.

[ ] Read the kind sticky notes left under your relief panel.

[ ] Stick your praise notes into the back of your studio log to keep.
