Tier pack: Supported route — Visual maker study and response

Pathway: TRACK · Week 6 Part 1 · Big question: How can we analyse a visual maker's use of pattern and contrast, then create our own studio response?

Supported route studio steps

Step 1: Place your card window over a clear pattern on the artwork card and copy the marks in Box 1.

Step 2: Tick the colour pair and mark style you used on the middle checklist.

Step 3: In box 2, draw your own identity symbol and fill it using the exact same two colours and mark style.

Step 4: Complete the link stem: 'I borrowed the ___ technique for my own symbol.'

Success check

Box 1 close-up study, checklist ticked, and Box 2 personal symbol response completed.

Key words helper

• deconstruct: To break an artwork down into its building blocks (line, tone, pattern, colour).

• observational study: A careful drawing of a small section to learn how the marks were layered.

• visual response: A new mini-artwork of your own that borrows a technique or colour rule from the study.

Review checklist

[ ] Place box 1 and Box 2 side by side: can a viewer clearly see the shared technique and your new symbol?

[ ] Check that your three pointer annotations explain HOW the marks work.

[ ] Add this response sheet to your studio portfolio.
