Things I can do

Plan field	Weekly row
Pathway / strand	BUILD / Careers · Year A
Term theme	Identity & Belonging
Week / duration	Week beginning 2 November 2026; one 40-minute lesson
Actual teaching date	_____
Objective	Identify one strength and link it to a work task.
Source	Owner-approved Careers outline; revision approved-2026-10-26
Unit	Strengths, job roles and work skills
Thread tags	Thread tags: SMSC S/So (M/C: none); British Values IL/MR (D/RL/T: none).
Planned activity	Use four minutes to match worker cards to sort, check or help. Use five minutes for an individual shape sort: supported route uses three tokens; independent route uses all six. Use three minutes to check sets and identify one skill actually shown. Give one specific prompt and preserve the first result and changed response. A card match alone does not prove the practical skill.
Evidence	A strength-to-task match and an individual observation of the practical task, including support used.
Where this leads	This helps me see how a skill can be useful at work.
Access	Supported / Independent / Aspire. Read, point, speak, draw, write, scribe or use the usual aid. Record actual prompts.
Assessment	Formative. Week 7 is assessing. No attainment or evidence banking is prefilled.

The qualification and the accredited unit: staff confirm any mapping from actual evidence. No day or clock slot is inferred.
