

Comparing two places

Knowledge organiser | BUILD Humanities

Compare my place with a contrasting place.

Words to use

Word	Meaning
compare	Look at two things to find what is the same and different.
similarity	Something that is the same or alike.
difference	Something that is not the same.
evidence	What we can point to or observe to support an idea.

A method to use

1. Choose one feature to compare.
2. Look at that feature in both places.
3. Record a similarity or difference.
4. Point to evidence and explain.

My sentence

Use: In source ____ I can see _____. In source ____ I can see _____. This matters because _____.

Remember

Practice places are invented. Use your teacher's checked local sources for the final task.

Compare the same feature in both places. Say not shown when evidence is missing.
