

Our place in the wider world

Knowledge organiser | GROW Humanities

Locate my place the UK and the wider world on maps.

Words to use

Word	Meaning
continent	A large land region
ocean	A large body of salt water
location	Where something is
scale	How map distance relates to distance on the ground

Map reading method

Locate our area within the UK, Europe and the world.

Use a key, labels and compass directions.

Choose a scale that shows enough detail for the question.

Remember

The UK is in Europe. The Atlantic Ocean lies to the west, and the North Sea to the east.

Middlesbrough is on the River Tees in Teesside, north-east England. A world map shows less local detail than a detailed local map.

My explanation

___ is in ___. ___ lies to its ___. I would use a ___ map because ___.
