

# Physical and human features

Knowledge organiser | GROW Humanities

Describe physical and human features of a place.

## Words to use

| Word             | Meaning                                     |
|------------------|---------------------------------------------|
| physical feature | A natural part of a place                   |
| human feature    | A part of a place made or changed by people |
| annotation       | A label with an explanation                 |
| evidence         | A detail used to support an idea            |

## Method to remember

Name the feature and inspect its evidence.

Choose Physical, Human or Could be both.

Add a because statement and discuss a boundary case.

## My explanation

I labelled \_\_\_\_ as \_\_\_\_ because \_\_\_\_\_. Another possible category is \_\_\_\_ when \_\_\_\_\_.

## Remember

A reservoir includes water and a dam built by people. Explain your classification rule.
