

Our sustainability decision report

Knowledge organiser | LAUNCH Humanities

Complete a sustainability decision report.

Words to use

Word	Meaning
criterion	A stated feature used to compare options
trade-off	A choice involving benefits and disadvantages
limitation	Something the evidence cannot establish
decision	A choice justified by evidence and criteria

Method to remember

Score both options using the same explicit criteria.

Give evidence for each judgement.

Write preference, trade-offs, limits and next action.

Check accuracy and record support used.

My explanation

I choose _____. Evidence from _____ shows _____. This matters because _____. A limit is _____.

Remember

Give evidence for scores, a trade-off, a limitation and a next action. Record support. An adult can record the learner's own words.
