Mock stall scripts and money cards

Use clean props and practice money. Try your job twice.

Role	Predictable words
Seller	Hello. What would you like?
Customer	I would like __, please.
Seller checks	So, that is __. It costs __.
Food question	I will ask the adult to check the food label.
Cash sale	You gave me __. Here is __ change. Thank you.
Cashless practice	For cashless practice: I have checked __ items. The total is __.
Charity sentence	Zoe’s Place gives free care to very young children.

We support Zoe’s Place, our local hospice.

Each role has a turn

Seller: greet, check and serve with adult support. Customer: use one order card. Observer: give one helpful prompt. Then change roles. A quiet tally or stock role is available.

First go I need help with __.
Feedback Try __.
Second go I changed __.

_____

_____

I listened to __. On my next go I will __.

Practice prices and a start float

These are practice prices. Use the checked real menu for the sale.

Practice item	Price
One cake	£1.00
One small piece	£0.50

Pre counted float

Coins	Value
2 × £1	£2.00
2 × 50p	£1.00
5 × 20p	£1.00
10 × 10p	£1.00
Start float	£5.00

Count the float before you start. Reset it after each go.

Customer order cards

Card	Order and practice payment
A	Order A: one cake. Paid £2. What change?
B	Order B: one small piece. Paid £1. What change?
C	Order C: two cakes. Cashless practice. What total and tally?
Stretch	Stretch: two cakes. Paid £5. What change?

Check: price plus change equals the amount paid.

A tally counts items. It does not prove a real payment.

Cashless practice card Adult checked order ☐ Method CASHLESS PRACTICE

No real payment or device is needed. Mark each item once. Keep the start float apart from the sales total.
