Comparing support task

Pink supported edition

Explore how beliefs help people cope with change and hardship.

First

Listen to two cards with an adult.

Then

For each card, choose an action.
Say how it may help.

Our words

Some ____ may ____.
This could help them ____.

Both examples may include help from other people.

Your short response

Say two short sentences.
An adult may write your words in your book.

You may ask for a quiet pause.
You may keep your own beliefs private.
