

Our class map

Knowledge organiser | BUILD Humanities

Record local features on a class map.

Words to use

Word	Meaning
feature	Something in a place, such as a tree, path or bench.
symbol	A small sign used to stand for something on a map.
key	A guide explaining the map's symbols.
evidence	An observation or checked source that supports a map entry.

A method to use

1. Choose a feature supported by checked evidence.
2. Find its position on the class plan.
3. Add a clear symbol or label and key entry.
4. Explain your contribution and check it.

Remember

Use the class's own checked plan and real observations. Keep symbols and key meanings consistent. Leave out home addresses. Explain your own contribution.
