Scene A The walking route

Invented paper-pack workplace. Look at the picture; do not act it out.

Notice and explain
What could cause harm? Who could be harmed and how? What should be kept clear or checked?

Report
“There is ... at ... . Someone could ... . I am keeping clear. Please check ... .” Tell the supervisor, played by an adult.

D is a comparison of controls, not proof of no risk. Other scenes have a main hazard; explain another visible concern if you notice one.

Safety sign shapes and words

Four common categories. Read shape, symbol and message together; colour is an extra clue.

WARNING

Triangle

Warns of a hazard

Example: Wet floor

PROHIBITION

Circle and diagonal bar

Something you must not do

Example: No entry

MANDATORY

Circle

An action you must take

Example: Wear eye protection

SAFE CONDITION

Square or rectangle

Shows a safe route or help

Example: First aid

Teaching examples. Read shape, symbol and words together. Colour is an extra clue.

Use the workplace instructions and ask a supervisor if meaning or action is unclear.

Type and shape	Meaning and example
Warning: Triangle	Warns of a hazard. Example: Wet floor.
Prohibition: Circle with a diagonal bar	Something you must not do. Example: No entry.
Mandatory: Circle	An action you must take. Example: Wear eye protection.
Safe condition: Square or rectangle	Shows a safe route or help. Example: First aid.

Simplified teaching examples, not signs for installation. Ask the supervisor if meaning or action is unclear. A warning does not remove a hazard. The eye-protection example does not add a PPE task to this lesson.
