Stretch instructions and teamwork pack

Following instructions & teamwork.

Use the same invented paper-pack order, four written steps and role routine. One reads a step aloud, one checks meaning and does it. Keep the sheet and usual aid. Reset and swap; adult can partner.

Your task

Explain why an instruction could be misunderstood and improve it without changing the order. Compare the planned roles with what happened and explain one teamwork adjustment. Check the result against the order; use the same reflection and five expectations. Extra writing optional.

Improve clarity

Use all six clear-instruction checks. Explain why a reader could misunderstand a phrase and improve it without changing what is to be made. If wording is clear, explain an access improvement. Keep your own six judgements and one improvement.

Explain teamwork

Compare the reader/maker plan with what actually happened after reset/swap. Explain one adjustment that helped clear communication or accurate checking. Keep normal aids; more writing is optional.

Time and help

Round one 23–29; reset/swap and round two 29–35. The six-minute windows are guides, not a speed grade. Pause or reduce repeated output for access. Ask a trusted adult or use the school’s help route privately. Pass/pause/return is valid.

Stretch reflection and review

Keep your own checklist and paired-task record. Use book/usual aid or blank Type instead. Do not claim a turn or question that did not happen.

Short reflection

When I didn't understand I… Or use: Nothing was unclear today; a check that helped was… / I did not try this part yet; the help I need is…

Week 1 expectation	Evidence clue
Readiness and reliability	I checked the task and materials or asked for help to get ready.
Respectful communication	I listened or read and used a clear question or reply.
Instructions and quality	I checked a step or finished work against the instruction.
Safety and help	I kept the area clear or asked before doing an unclear task.
Teamwork and responsibility	I agreed a role, shared a useful update or reported a mistake.

Rate and improve

For each: I did this; I did this with a prompt; I need another try; Not seen today. Use your own evidence. Normal aids are access; record prompts that supplied thinking separately. Keep first try, one NS and reply, help and next check time. A missing role stays visible.

Private help

Trusted adult or school help route. Adult can partner/read; voice, aid, writing, typing or exact scribe valid. Scribe reads back and permits corrections. Pass, pause and return with support. No personal history or public performance needed.
