Supported instructions and teamwork pack

Following instructions & teamwork.

Use the same invented paper-pack order, four written steps and role routine. One reads a step aloud, one checks meaning and does it. Keep the sheet and usual aid. Reset and swap; adult can partner.

Your task

Use four numbered steps, a reader/maker role card, model and sentence starts. Hear one step, say or show its meaning, do it and check. Keep the written steps and usual aid. Adult partner or exact scribe valid. Try both roles and keep your own reflection and five ratings.

One step at a time

Hear or read the step. Say or show its meaning. Do it, then compare it with the step. Use the four numbered instructions. Frame: “Do you mean ... ?” or “Please read that step again.”

Keep a short record

“I was the reader in round ... . I was the maker in round ... .” Mark a role not tried honestly. Use all six checks: Goal, Parts, Order, Exact words, Finish check, Help. Choose Clear; Needs a change; Not checked yet. Give one improvement.

Time and help

Round one 23–29; reset/swap and round two 29–35. The six-minute windows are guides, not a speed grade. Pause or reduce repeated output for access. Ask a trusted adult or use the school’s help route privately. Pass/pause/return is valid.

Supported reflection and review

Keep your own checklist and paired-task record. Use book/usual aid or blank Type instead. Do not claim a turn or question that did not happen.

Short reflection

When I didn't understand I… Or use: Nothing was unclear today; a check that helped was… / I did not try this part yet; the help I need is…

Week 1 expectation	Evidence clue
Readiness and reliability	I checked the task and materials or asked for help to get ready.
Respectful communication	I listened or read and used a clear question or reply.
Instructions and quality	I checked a step or finished work against the instruction.
Safety and help	I kept the area clear or asked before doing an unclear task.
Teamwork and responsibility	I agreed a role, shared a useful update or reported a mistake.

Rate and improve

For each: I did this; I did this with a prompt; I need another try; Not seen today. Use your own evidence. Normal aids are access; record prompts that supplied thinking separately. Keep first try, one NS and reply, help and next check time. A missing role stays visible.

Private help

Trusted adult or school help route. Adult can partner/read; voice, aid, writing, typing or exact scribe valid. Scribe reads back and permits corrections. Pass, pause and return with support. No personal history or public performance needed.
