Look for the caring action.
Choose the care card that fits this picture.

Our talk

The ____ cares by ____.
This helps because ____.
They ask what the person ____.

Your one line

People care in my community by…

Use a general caring action. You do not need to name a real place or person.

Some people’s religious beliefs encourage them to care for others. People with religious beliefs and people with no religious belief can all care in their community.
