Match the role to the care

White standard edition

Identify how people care in their community.

Theme Resilience & Change

Your task

1 Look at the four invented pictures. Listen to each role label.
2 Match A, B, C and D to care cards 1, 2, 3 and 4. Match the care shown in the picture.
3 Finish one general line in your book or tell an adult what to scribe.

Our talk

The ____ cares by ____.
This helps because ____.

Your one line

People care in my community by…

You may use a general action such as sharing food or helping with shopping. No real names or addresses are needed.

A role can include other caring actions too. You may point, speak, hear a label again or ask for a quiet pause.
