TA Brief

I can use an actual observation to explain a strength in the group piece.

At check-out, record E for today's lesson against each pupil's target on the evidence app.

At check-out, record E for linking a strength to a real clue against the pupil's target.

Regulation: check the colour-and-word card at Arrival and after You do.

You may point to the real work, draw a clue, or tell an adult what to record. A quiet review has the same value. You may pass.

Return to learning · Offer the first model cue, then rejoin the chosen route.

Adult focus

I do · Link one real clue to the strength.

We do · Check that the clue and judgement refer to the same moment. Fade one prompt.

You do · Record actual support. Invite one next step.

Which note shows what went well?

A names one thing we can check. Use it only if it matches the real work.

Optional: show or tell an adult what you changed after feedback. You may use your usual response mode or pass.

Mark R only after the pupil has responded to the next step and an adult has received and reflected the response.

Adult ticks the improved work.

Pupil voice

What helped you most today, or what would you change next time?

Point, speak, sign, draw, write or choose. You may pass.
