TA Brief

I can refine my arts account using a genuine reply and verified links.

At check-out, record E for today's lesson against each pupil's target on the evidence app.

At check-out, record E for sharing arts work and checking the real reply against the pupil's target.

Regulation: check the colour-and-word card at Arrival and after You do.

You may point to real work, draw a clue, or tell an adult what to record. A quiet share has the same value. You may pass.

Return to learning · Offer the first model cue, then rejoin the chosen route.

Adult focus

I do · Link a claim about learning to its actual record and locator.

We do · Match the claim, record and locator. Fade one prompt and use the checkpoint.

You do · Record actual support. Invite one next step.

Which reply can we keep in the log?

A is a real reply. Keep B as a thought, not a reply that happened.

Optional: show or tell an adult what you changed after feedback. You may use your usual response mode or pass.

Mark R only after the pupil has responded to the next step and an adult has received and reflected the response.

Adult ticks the improved work.

Pupil voice

What helped you most today, or what would you change next time?

Point, speak, sign, draw, write or choose. You may pass.
