Tools, Equipment and Safe Use

Independent task

Point, speak, sign, draw, write or choose. You may pass.

In your book, name two tools and their jobs. Record safe use, cleaning and storage checks. Mark paper work as rehearsal.

Choose tools for a task. Explain the adult check, safe use, cleaning and storage. In an authorised task, use one tool with supervision.

Optional make it: Make a four-part care card for one tool.

I can name the tool and record the use and care checks.
