Complete a Supported Vocational Task

Independent task

Point, speak, sign, draw, write or choose. You may pass.

In your book, keep the plan, a record of the finish and your review. Say what help you used. Label a paper task as rehearsal. Record the adult-led kit task when it is completed.

Complete the supported task from start to finish. Follow the checks and compare the finish with the standard. Review it. For the real task, set out the checked garden kit with the adult, tidy and review. Use the paper route if needed.

Optional make it: Make a folded task record with plan, finish and review.

I can show the finish and explain a check.
