# Teacher and cover planner

**Personal safety and safer choices**

Monday 16–Friday 20 November 2026 · one 40-minute lesson

Teaching date: _____ Teacher: _____

## Exact scheme cells

LAUNCH Weekly - Autumn!C181
Staying safe: risk & personal safety.

LAUNCH - Autumn!D27
Adult life: money, work, safety & citizenship

LAUNCH - Autumn!I27
PSHE Association (KS4/post-16 PoS); ACT Citizenship; [AWARD] [QUAL] '[QUAL]'.

LAUNCH - Autumn!J27
F: scenarios & tasks. S: adult life & responsibilities task (Dec).

The source assessment is retained. This lesson contributes evidence; it does not by itself complete an award. Public award labels are masked only.

## Purpose and success checks

How can we spot a risk and get support?

I can separate a fact from a missing detail. I can explain a risk and a safer next step. I can choose a help route if a plan changes.

LAUNCH-PSHE-W3-E1: Individual fact/risk analysis and a safer plan for a fictional personal-safety case, with a boundary, support route and backup.

## Before pupils arrive

Print cases, a fictional travel diagram, Evidence Sheets and Vocabulary Mats. Identify the real private-help staff route. Use made-up travel plans only; no live maps, real addresses, location sharing or personal route disclosures.

Offer processing time, a quiet start and the usual communication support. Capture each learner’s own work. Read the Staff Answers before teaching.

## Calendar and continuity

Monday 16–Friday 20 November 2026. One lesson per week on this line. No day or clock slot is inferred; staff enter the actual date above. Use prior vocabulary and the established private-help routine.

## Forty minute sequence

| Slide | Min | Action |
|---|---|---|
| 1 | 0 | Open title and big question before timing. |
| 2 | 4 | Private check-in, quiet start and support choice. |
| 3 | 2 | Read the diagram; hear one clue or question. |
| 4 | 0 | Read the exact objective and success checks. |
| 5 | 5 | Model the six lines; explain the reason for each. |
| 6 | 5 | Ask for a hinge answer and reason; reteach if needed. |
| 7 | 12 | Use the six cards and the Supported/Independent/Aspire routes. |
| 8 | 6 | Complete the individual two-page evidence record. |
| 9 | 4 | Check ownership, support, response and next step. |
| 10 | 2 | Take a short quiet exit response. |
| 11 | 0 | Use the vocabulary mat throughout. |
| 12 | 0 | Hidden reference for adults. |

## Hinge and reteach

B. The driver and offer are not verified. Alex should remain in a suitable staffed place and ask a trusted adult to help check an agreed travel option. A friendly tone is not evidence of safety. Reteach with an unexpected change to a collection plan. Do not teach that all strangers are dangerous or that familiar people cannot cause harm.

## Access and practice

Supported: start with cases A and B. Independent: explain a safer step for each. Aspire: compare two plans if a fact changes.

Read A–F and sort into safer route, risk, check first, support needed or emergency. Ask for the clue before the action. Pupils then complete one case plan and a changed-plan backup; scribe their words if needed.

Begin evidence during practice and finish during capture. Accept speech, pointing, drawing, writing or usual AAC. Scribe exact words without supplying the assessed reason. No forced pair work or public performance.

# Safe teaching evidence and learner voice

## Boundaries

Use fictional situations and a pass option. Do not rehearse threats, harassment, being followed or a collapse. Avoid victim-blaming. Listen calmly to a real concern and follow local safeguarding arrangements separately from learning evidence. Emergency examples are verbal only.

## Assessment and feedback

Credit an explicit clue, a plausible risk and an action that reduces it, plus an adult/support route. For A use staffed reception; B do not accept an unverified lift; C avoid the closed site; D confirm through staff; E seek support for ignored boundaries; F call 999. Do not award certainty from an unsupported guess or blame a victim.

Retain actual work, response mode and support. Use VF · WS · I · NS+ · // (self-edit) · ? (read back) · R (responded) · E (evidence in the school's evidence record). R requires Voice, Audience, an NS+ prompt and the learner’s response in the same colour, on the same page or usual mode. Record E only after evidence is banked. Blank forms and adult models are not completed learner evidence.

## Lundy moments

Space: calm, accessible participation. Voice: a choice, reason or help request. Audience: the adult listens or reads and replies. Influence: record the support or next-step change made in response.

## Speaking listening and writing

Explain a risk, state a boundary, listen to a suggested plan and ask a clarifying question. The receiving teacher maps authentic responses to their own portfolio; no communication criteria are assigned here.

## Reflection and provenance

Next teaching need: _____
Learner request and change made: _____
