Knowledge organiser (BASE) — Making the piece: one symbol, one skill

Pathway: BASE · Week 2 Part 1 · Big question: How can we make one big, bold sign on heavy card?

Core studio focus

Family: Identity and studio log

Big question: How can we make one big, bold sign on heavy card?

- Pick your best shape. Best tool from Week 1.
- Draw your shape big so it fills the middle of the card.
- Add dark. Light tone so the shape stands out.

Essential vocabulary

- scale: How big or small a shape is on the card.
- centre: The middle spot of your page.
- shade: Dark tone added to one side of a shape.
- edge: The clear line around the outside of a shape.
- fill: To put colour or marks right across a space.

Three-step studio method

Step 1: Map the big size: I place four light dots near the edges of my card so my shape grows big.

Step 2: Draw the main outline: I join the guide dots to draw my sign right in the middle.

Step 3: Add two tones inside: I press hard on the left edge for dark tone. Keep the right side bright.
