Pupil studio resources & worksheet — One photo, one comment, one page

Pathway: BASE · Week 5 Part 1 · Big question: How do we build a neat studio log page with a photo and a comment?

Arrival check

Look at the two log pages on screen. Why does Page B look so much neater than Page A?

[ ] The photo is glued straight in the frame with a clear comment below

[ ] The photo is upside down andhanging off the side

[ ] There is glue smeared over the front

Starter visual cues

Top box: Week number and title of your piece.

Middle frame: Photo or art sample glued straight inside the guide lines.

Side tags: Two labels pointing to your tool. Your best mark.

Bottom box: One honest short line ('I used... It looks...').

Vote: Where should you put the glue stick marks when mounting a photo?

Studio practice planner

Build your studio log layout and pick your comment focus.

Shapes/Focus: Centred photo frame, Side-by-side compare, Top photo + bottom note, Bordered mount card

Tools/Methods: Label: soft pencil tone, Label: wax resist line, Label: sponge dot edge, Label: bold pen outline

Exit ticket

Why do we place a photo on the page. First putting glue on the back?

[ ] To check it fits straight in the right space first

[ ] To make the glue dry up

[ ] So we never have to glue it
