Tier pack: Independent route — One photo, one comment, one page

Pathway: BASE · Week 5 Part 1 · Big question: How do we build a neat studio log page with a photo and a comment?

Independent route studio steps

Step 1: Glue your artwork photo onto a coloured backing rectangle first for a neat border.

Step 2: Mount the framed photo squarely in the centre of your log page.

Step 3: Add two straight pointer labels naming your tool. Your mark art skill.

Step 4: Write two clear short lines saying what went well. One thing you learnt.

Success check

Double-mounted photo, two technical labels,. A two-short line comment.

Key words helper

• log: A folder or book that keeps your art journey in order.

• mount: To glue a picture neatly onto a backing frame.

• comment: A short true note about what you made and liked.

• border: The neat margin around the edge of a mounted photo.

• date: The week number that shows when you made the work.

Review checklist

[ ] Run a finger around the four corners of your photo to check they are stuck flat.

[ ] Read your studio comment aloud to your table partner.

[ ] Place your finished page neatly inside your studio log wallet.
