TA studio brief — Visual maker study and response

Pathway: TRACK · Week 6 Part 1 · Big question: How can we analyse a visual maker's use of pattern and contrast, then create our own studio response?

TA practical setup & focus

Provide 6 cm card viewfinders and step-by-step layer strips showing Stage 1 (base colour), Stage 2 (pattern mark), Stage 3 (dark contour).

Studio kit: Exemplar studio artwork prints, 6 cm card viewfinders, A3 two-box artist response sheets, fineliners, oil pastels, colored pencils, water-based washes

Key words to prompt

• deconstruct: To break an artwork down into its building blocks (line, tone, pattern, colour).

• observational study: A careful drawing of a small section to learn how the marks were layered.

• visual response: A new mini-artwork of your own that borrows a technique or colour rule from the study.

• juxtaposition: Placing two contrasting textures or colours side by side for visual punch.

• annotation: Short analytical notes connected to specific parts of your study.

Supported route steps

1. Place your card window over a clear pattern on the artwork card and copy the marks in Box 1.

2. Tick the colour pair and mark style you used on the middle checklist.

3. In box 2, draw your own identity symbol and fill it using the exact same two colours and mark style.

4. Complete the link stem: 'I borrowed the ___ technique for my own symbol.'

Check: Box 1 close-up study, checklist ticked, and Box 2 personal symbol response completed.

Review & exit support

Exit question: In an artist response page, what is the purpose of Box 2 (the personal response)?

Staff note: Staff preparation only: review how to model moving from a 6 cm transcription in Box 1 to an original symbol response in Box 2.
