Body Needs · Tier Pack · Independent

Learning goal: I can say how animals get food and match food to three jobs in the body.

Independent Route (Book First)

Match each of the three food jobs (Go, Grow, Keep well) to what it does for the body and give one food example for each.

Help: __ foods give us __ so our body can __.

Optional Make It · Independent

Make a 3-column Go-Grow-Glow fold card

Fold paper into three columns: Go (energy), Grow (mend), and Keep well. Draw or list one food in each column and write your book sentences.

Word Help

energy: fuel from food that helps us move and keep warm

grow: to build and mend bones, muscles, and skin

keep well: to help the body fight off illness and stay healthy

water: a drink every living body needs each day

Exit Check

Who must eat food to live: a green plant or a dog?

Name one job that food does inside your body.
