Food Jobs Mission · Staff Answers

Learning goal: I can sort foods by their job and build a balanced plate with water.

Arrival Answers

1. Box 2 shows a balanced plate.
2. They give us energy to move.
3. They help us grow and mend.
4. Yes. You can ask or pass.

Starter & Hinge Answers

Starter: A. Fruit and vegetables add vitamins to keep well, and water keeps us hydrated.

Hinge: A. Everyday meals need starchy energy foods, protein to grow, fruit and veg to keep well, and water.

Evidence Desk Cards

Wholemeal bread roll: Go (energy): bread gives steady fuel to move.

Baked beans or lentils: Grow (mend): beans and lentils build and mend muscle.

Broccoli and sliced apple: Keep well: veg and fruit give vitamins for health.

Boiled egg or grilled fish: Grow (mend): egg and fish help build body parts.

Brown rice or pasta: Go (energy): rice and pasta fuel active muscles.

Sugary fizzy sweet: Small extra: does not fill the main Go, Grow, or Keep well sections.

Check & Repair Answer

Counting three items is not enough; the plate needs Go, Grow, and Keep well foods plus water.

Exit Ticket Answers

1. Baked beans. 2. Example: rice (Go), beans/egg/fish (Grow), broccoli/apple (Keep well). 3. Keep one energy food and add a protein food (beans/egg/fish), fruit/veg, and water.
