Beliefs in hard times response

Pink supported edition

Explore how beliefs help people cope with change and hardship.

My two examples

Choose two cards with an adult.

For each one, say or point to an action and how it may help.

My words

In this example, ____ may help the person ____.

Both examples may include help from other people.

My short response

Say two short sentences. An adult may write your chosen words in your book.

You may hear the short cards again.
