Comparing support talk frames

White standard edition

Explore how beliefs help people cope with change and hardship.

An example and a possible benefit

In this example, the person believes or values ____. They may ____.
This could help by ____.

A comparison

Both ____ and ____ may offer ____.
One difference in these examples is ____.

Words for possible support

feel less alone
feel hopeful
think through choices
make a useful plan
receive practical help

A careful explanation

Use some or may. People vary. A belief or practice may help a person cope while a difficulty remains.

Read all three cards. Choose two for your short response. You may point, speak or use a scribe.
