Comparing stories and possible teachings

White standard edition

Explore stories of resilience from sacred texts.

Find a story detail

In this story, ____ kept going.
The story says ____.
____ helped because ____.

Explain a possible teaching

One possible teaching is ____.
A detail that supports this is ____.

Compare

Both stories include ____.
One difference is ____.

Your meaning

To me, resilience can mean ____.

Resilience means finding a safe way through difficulty. This can include help, rest, a new plan or another try.

A story detail is something in the account. A possible teaching is an idea about what readers may learn from it.
