Respectful discussion protocol

White standard edition

Discuss a 'big question' about change respectfully.

Listen

Let the speaker finish, or read their idea. Eye contact and stillness are not required.

Build

Add an idea or ask a kind question.

Disagree kindly

Talk about the idea and give a reason. Let others hold a different view.

Pass

Say or point to pass. You may ask for a quiet pause and return later if wanted.

Words to start

I can build on that by ____.
I see it differently because ____.
Can you explain ____?
I choose to pass.

Use a reason from a card or the invented example. There is no required answer to the big question.
