# Jobs for practical feedback and planning

Thursday 12 November 2026 | 12:50–14:10 | Year A

## Shared jobs

Use anonymous codes. A pair can share a job. Ask an adult to agree a manageable part. The teacher leads each task. An adult keeps responsibility for safety and any food or visit decision. You can ask for help, pass or use your usual aid.

## Maker or finisher

Code one _____ Code two _____
Only at the approved GROW station with its adult.
1. Hear the accepted task and adult checks.
2. Do only your agreed part using the approved method.
3. Stop and pass the work back when asked.
FINISH: show what you actually did and the help used. An approved cold or non-food role is valid. Do not choose heat, tools or ingredients for yourself.

## Panel recorder

Code one _____ Code two _____
1. Ask permission to record the person's view.
2. Keep Keep, Change or Not sure with their reason.
3. Record tasted or not tasted separately.
FINISH: an honest tally and one exact feedback line. A pass stays a pass. Do not guess a taste or fill in a reply that did not happen.

1. Choose a practice call or unsent email draft.
2. Read, point or scribe the team's agreed questions.

FINISH: one clear draft enquiry. The adult makes any real contact later. Do not call, send, book or promise payment.

## Travel and kit checker

Code one _____ Code two _____
1. Check the draft day plan for a full day next term (date to be confirmed).
2. Find a missing time, kit item or adult check.
3. Add who will check it, using an adult role.

## Our role check

Our team is _____. Our paired roles are _____. We need help with _____. Every pupil can keep one actual action for the evidence line. A team result alone does not prove what each person did.
