Use this mat beside the eight cards A–H. Say why a card fits. P1 is a legal-process note, not a sort card.

Group	Meaning
Long-term causes	Problems that had built up before the protest.
Trigger	The event that helped set off this campaign.
Short-term consequences	Effects during or by the end of the campaign in December 1956.
Long-term consequences	Effects that continued beyond the campaign, in later years.

Reason frames

This belongs with ____ because ____. It happened before / set off / followed the boycott. It helped lead to ____ by ____.

A date helps us place an event. It does not prove a cause. Travel changes (E) were an effect and also helped the boycott continue.

Keep the time frame clear

Here, short-term effects occur during or by the end of the campaign in December 1956. Long-term effects continue beyond it. We are not sorting by how serious an effect was.

Quiet alternative

Quiet task: put 1, 3, 2, 5 and 4 in order. Then sort these made-up items by use: pencil, book, cup, plate. No history words are needed. This task does not show the history outcome.

Use the quiet signal to ask the adult for a pause. Use the agreed supervised place. No public reason is needed. Return with one small card check or a private recap when ready.
