# Dates and words to link your account

Friday 5 February 2027 | P2 | 40 minutes | Year A

Humanities | GROW | Spring 1 Week 5 | HUM-GROW-S1-W05

Choose dates that help the reader follow the campaign. Copy carefully. Keep at least three dated events in order.

| Date | Event |
|---|---|
| 1954 | Earlier requests for fairer bus treatment. |
| 1 December 1955 | Parks's refusal and arrest. |
| 5 December 1955 | Boycott began. |
| 5 June 1956 | Federal court ruling against bus segregation. |
| 13 November 1956 | US Supreme Court upheld the ruling. |
| 20 December 1956 | Boycott ended after the court order arrived. |
| 21 December 1956 | Return to integrated buses. |

## Connectives bank

| Word or phrase | How it helps |
|---|---|
| because | gives a reason |
| first / then / later | puts events in order; time alone does not prove a cause |
| as a result | introduces an effect you must explain |
| also / alongside | adds another factor or route |
| this mattered because | explains significance |
| however | adds a limit or a different point |

Then and later give time order. Because and as a result still need a supported reason. An event happening later does not prove the campaign caused it.

Use the banks beside your book. Keep the court case distinct from protest.

## Quiet alternative

Quiet task: put 1, 3, 2, 5 and 4 in order. Then sort these made-up items by use: pencil, book, cup, plate. No history words are needed. This task does not show the history outcome.
