Assessing week | HUM-GROW-S1-W06-E1

Keep actual work in the pupil's book or agreed evidence location. This is an adult record, not a write-on pupil task.

Adult record of actual evidence

Actual date / final account reference _____

Earlier draft / edit / reason _____

S1 first source response _____

S4 first source response _____

Mode _____ Exact reading _____ Reasoning help _____

Adult reply / NS _____ Own response / reason _____

Supported follow-up _____ Deferred work _____

Unit award evidence index reference _____

Actual authorised banking date / reference _____

E only after actual banking; no completion or certification inferred.

Offer to the Communication portfolio. Retain the earlier account draft, final account and the pupil's own first source answers with actual mode and help. An adult audience replies with one NS; the learner responds in the same colour, on the same page or usual mode before R. Label any model-informed follow-up as supported. Record E only after actual authorised banking. A partner answer does not establish every learner's understanding.

Six outcome evidence review

Friday 12 February 2027 | P2 | 40 minutes | Year A

Humanities | GROW | Spring 1 Week 6 | HUM-GROW-S1-W06

Adult tick-and-comment grid. All scheme outcomes remain verbatim. All ticks/comments begin blank. A tick means relevant evidence was seen, not automatic completion of the full outcome.

Week and outcome	Seen	Comment and work reference
1 Place key protest/rights events on a timeline (chronology).	[ ]	Reference / actual scope ____ Mode / help / gaps ____
2 Use sources to investigate a campaign for rights and change.	[ ]	Reference / actual scope ____ Mode / help / gaps ____
3 Explain causes and consequences of a protest movement.	[ ]	Reference / actual scope ____ Mode / help / gaps ____
4 Evaluate the significance of a person who created change.	[ ]	Reference / actual scope ____ Mode / help / gaps ____
5 Plan and write a structured historical account.	[ ]	Reference / actual scope ____ Mode / help / gaps ____
6 Structured account + source evaluation; bank the unit award.	[ ]	Reference / actual scope ____ Mode / help / gaps ____

Review actual earlier work in place. Do not tick from attendance, a partner's answer, a copied model or the quiet task. If not yet evidenced or deferred, leave the tick blank and record a next step.

Week 6 needs the learner's own improved account and both source evaluations, not just banking paperwork. Record first answers separately from model-informed follow-up. The teacher checks the unit award's requirements before any completion claim.

Evidence index _____ Actual review date _____

Actual banking reference _____ E only after banking.
