The source assessment is retained. This lesson contributes evidence; it does not by itself complete an award. Public award labels are masked only.

Purpose and success checks

The weekly scheme line above is shared across two lessons. This lesson focuses on my role and my next step.

How did my actions affect the service?

I can explain what I did and the help used. I can use feedback to choose a change. I can practise a next step and review it.

VOC-W5-L2-E1: Individual role reflection with actual action/support, a record or feedback link, one observed classroom improvement rehearsal and a next step.

Before pupils arrive

Bring Week 5 Lesson 1 reviews and actual Week 4 role/feedback records. Provide a blank order slip for a dry service phrase rehearsal. Staff can act as the customer; no visitor is booked. Use pointing, writing or usual AAC where preferred.

Offer processing time, a quiet start and the usual communication support. Capture each learner's own work. Read the Staff Answers before teaching.

Calendar and continuity

Monday 30 November–Friday 4 December 2026. Two 40-minute lessons this week. No teaching day or clock slot is inferred. Any visitor, placement or external audience is unconfirmed; the in-class route is ready to use.

Staff enter the actual teaching date above. Continue the accepted prior-week evidence and support routines.

Forty minute sequence

Slide	Min	Action
1	0	Open title and big question before timing.
2	4	Private check-in, quiet start and support choice.
3	2	View the practice picture; hear one clue or question.
4	0	Read the exact objective and success checks.
5	5	Model the six lines; explain the reason for each.
6	5	Ask for a hinge answer and reason; reteach if needed.
7	12	Use the six cards and the Supported/Independent/Aspire routes.
8	6	Complete the individual two-page evidence record.
9	4	Check ownership, support, response and next step.
10	2	Take a short quiet exit response.
11	0	Use the vocabulary mat throughout.
12	0	Hidden reference for adults.

Hinge and reteach

C. Supported work is still the learner’s work when the actual action and help are clear. Reteach using a fictional two-person task: ask who did each step and which prompt helped. Do not turn a later rehearsal into a past service observation.

Access and practice

Supported: say one action with a prompt. Independent: link action, result and feedback. Aspire: explain how you could test a change.

Learners explain one action, its effect and support. Listen to actual feedback, then rehearse one chosen improvement with an adult or willing peer. The observer records what really happened in the rehearsal. If no past role exists, review today’s actual practice and mark the original service gap.

Begin evidence during practice and finish during capture. Accept speech, pointing, drawing, writing or usual AAC. Scribe exact words without supplying the assessed reason. No forced pair work or public performance.

Safe teaching evidence and learner voice

Boundaries

Dry role-play only. No real food, payment, personal customer details or external calls. No forced performance. A quiet one-to-one exchange is valid classroom participation.

Unconfirmed slot and in class alternative

Unconfirmed. No booking, invitation, placement or event date is asserted. A staff member is the in-class customer. Use a blank order slip, empty tray and an accessible response mode. No visitor or placement is required.

Assessment and feedback

The learner owns a specific action and acknowledges support. Link any claimed effect to a record. Keep the actual rehearsal response separate from past service evidence. Accept spoken, pointed, written or AAC responses. A polite script alone is preparation until it is used with an audience.

Retain actual work, response mode and support. Use VF · WS · I · NS+ · // (self-edit) · ? (read back) · R (responded) · E (evidence banked). R requires Voice, Audience, an NS+ prompt and the learner's response in the same colour, on the same page or usual mode. Record E only after evidence is banked. Blank forms and adult models are not completed learner evidence.

Lundy moments

Space: calm, accessible participation. Voice: a choice, reason or help request. Audience: the adult listens or reads and replies. Influence: record the support or next-step change made in response.

Offer to the Communication portfolio

Explain a choice, listen to feedback and write or dictate a reflection. The receiving teacher maps authentic responses to their own Communication portfolio; no criteria are assigned here.
