Word	Meaning
community	People linked by a place or activity
care	An action that meets a need
belong	Feel included in a group
service	Work that helps people

Key knowledge

Sam explained choices and showed a quiet space, helping Alex join in with support.

No. A fictional person is a complete response.

A frame to use

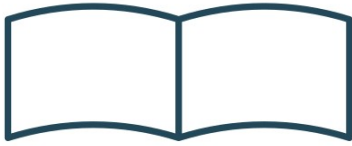

___ helps ___ by ___. This matters because ___.

Remember

Use a fictional person or place if preferred. The practice map is invented and is not a route to follow outside school.

Supported arrival

Begin with questions 1 and 2. Continue when ready. Choose one route; reading, pointing and exact scribing are available on every route.

A · Library books

B · Help desk

1 Which picture can help someone find a book?

Help: Choose A or B. Point first; an adult can record your choice.

2 What did Sam do that could help Alex belong?

Help: Read or listen to the relevant evidence card; point first.

3 Find “care” in word help. What does it mean?

Help: Use the word and meaning cards together.

4 Must a people map use your real family?

Help: Use the source limit or map key as a clue.

Standard arrival

Begin with questions 1 and 2. Continue when ready. Choose one route; reading, pointing and exact scribing are available on every route.

A · Library books

B · Help desk

1 Which picture can help someone find a book? Explain your choice.

Help: Choose A or B. Point first; an adult can record your choice.

2 What did Sam do that could help Alex belong?

Help: Use one source detail or labelled map feature.

3 Explain care using an example.

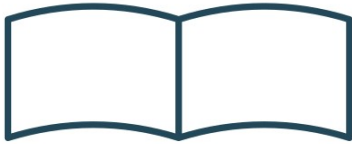

Help: Choose an example from the evidence cards.

4 Must a people map use your real family?

Help: State the reason for your answer.

Stretch arrival

Begin with questions 1 and 2. Continue when ready. Choose one route; reading, pointing and exact scribing are available on every route.

A · Library books

B · Help desk

1 Which picture can help someone find a book? What can this teaching picture not tell us?

Help: Separate the illustration from historical or personal evidence.

2 What did Sam do that could help Alex belong? Give supporting evidence.

Help: Name the source or data label.

3 How does care help answer today's enquiry?

Help: Explain the connection, not only the definition.

4 Must a people map use your real family? Explain a limit or further check.

Help: Think about what the supplied evidence leaves uncertain.

Evidence cards

Read or listen to the cards. Original historical records, authored summaries and fictional teaching cases are labelled separately.

A Alex and Sam

Fictional case: Alex is new to the youth club. Sam, a trusted club worker, explains the choices and shows Alex a quiet place.

Authored classroom case

Limit: This example does not describe every person or place.

B Library

A library lends books and can offer space to read or find information. Our practice map puts the library in square 1021.

Authored classroom case

Limit: This example does not describe every person or place.

C Health centre

The practice health centre is in square 1221. A receptionist helps people arrange appointments; trained health staff provide care.

Authored classroom case

Limit: This example does not describe every person or place.

D Park and hall

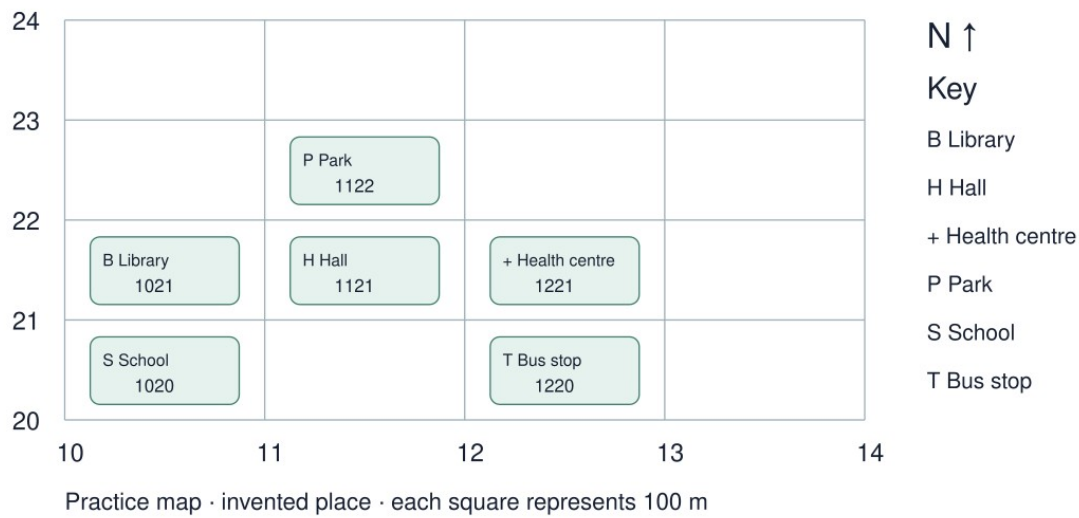

Our practice park is in 1122 and community hall in 1121. The hall hosts a drawing club with an optional quiet table.

Authored classroom case

Limit: This example does not describe every person or place.

Visual resources and data

Keep this page beside the shared and independent tasks.

Use the resource

What did Sam do that could help Alex belong?

Must a people map use your real family?

Shared investigation

Make a decision, check the evidence, then explain. An individual or private response can replace speaking to the group.

- 1. Match a person to a caring action.
- 2. Discuss how the action changes Alex’s experience.

Item or draft	My decision or revision
Sam explains the choices	
Sam refuses to explain	
Alex chooses a quiet table	

Support choices

- Supported: Read two cards aloud and point to the matching action.
- Standard: Match each item, then explain how it meets the need.
- Stretch: Test an alternative match and explain when it could work.

Our explanation

Supported independent task

Complete this route only. Keep your own decisions; an adult may read, organise access or scribe your exact words.

- 1. Create a people map for Alex or a chosen fictional person.
- 2. Add a trusted person and a caring action.
- 3. Record one reason that person matters.

Help

Begin with one step. Read the sources with an adult, reduce the visible choice set and use: ____ helps ____ by _____. This matters because _____.

Keep all required evidence; speech, pointing, drawing and exact scribing are available.

My outcome and supporting evidence

Check: people map and one reason the person matters.
