

Our class community map

Knowledge organiser

Learning goal

Contribute to a class community map.

Enquiry

Who helps us belong to a community?

Word	Meaning
community	People linked by a place or activity
care	An action that meets a need
belong	Feel included in a group
service	Work that helps people

Key knowledge

The park, in square 1122.

It shows what each learner can locate and explain.

A frame to use

My contribution is _____. It matters because _____. North of the hall is _____.

Remember

Use a fictional person or place if preferred. The practice map is invented and is not a route to follow outside school.

Supported arrival

Begin with questions 1 and 2. Continue when ready. Choose one route; reading, pointing and exact scribing are available on every route.

A · Library books

B · Help desk

1 Which picture can help someone find a book?

Help: Choose A or B. Point first; an adult can record your choice.

2 What lies north of the hall?

Help: Read or listen to the relevant evidence card; point first.

3 Find “care” in word help. What does it mean?

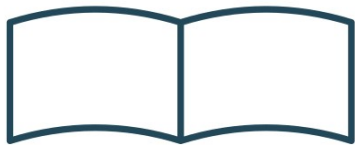

Help: Use the word and meaning cards together.

4 Why keep an individual contribution?

Help: Use the source limit or map key as a clue.

Standard arrival

Begin with questions 1 and 2. Continue when ready. Choose one route; reading, pointing and exact scribing are available on every route.

A · Library books

B · Help desk

1 Which picture can help someone find a book? Explain your choice.

Help: Choose A or B. Point first; an adult can record your choice.

2 What lies north of the hall?

Help: Use one source detail or labelled map feature.

3 Explain care using an example.

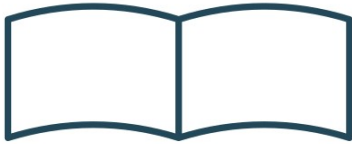

Help: Choose an example from the evidence cards.

4 Why keep an individual contribution?

Help: State the reason for your answer.

Stretch arrival

Begin with questions 1 and 2. Continue when ready. Choose one route; reading, pointing and exact scribing are available on every route.

A · Library books

B · Help desk

1 Which picture can help someone find a book? What can this teaching picture not tell us?

Help: Separate the illustration from historical or personal evidence.

2 What lies north of the hall? Give supporting evidence.

Help: Name the source or data label.

3 How does care help answer today's enquiry?

Help: Explain the connection, not only the definition.

4 Why keep an individual contribution? Explain a limit or further check.

Help: Think about what the supplied evidence leaves uncertain.

Evidence cards

Read or listen to the cards. Original historical records, authored summaries and fictional teaching cases are labelled separately.

A Alex and Sam

Fictional case: Alex is new to the youth club. Sam, a trusted club worker, explains the choices and shows Alex a quiet place.

Authored classroom case

Limit: This example does not describe every person or place.

B Library

A library lends books and can offer space to read or find information. Our practice map puts the library in square 1021.

Authored classroom case

Limit: This example does not describe every person or place.

C Health centre

The practice health centre is in square 1221. A receptionist helps people arrange appointments; trained health staff provide care.

Authored classroom case

Limit: This example does not describe every person or place.

D Park and hall

Our practice park is in 1122 and community hall in 1121. The hall hosts a drawing club with an optional quiet table.

Authored classroom case

Limit: This example does not describe every person or place.

Visual resources and data

Keep this page beside the shared and independent tasks.

Use the resource

What lies north of the hall?

Why keep an individual contribution?

Shared investigation

Make a decision, check the evidence, then explain. An individual or private response can replace speaking to the group.

1. Agree a map key.
2. Each person adds or identifies one place without moving someone else's contribution.

Support choices

Supported: Start with a labelled place and a reduced set of location choices.

Standard: Use the key, direction and location clues before answering.

Stretch: Explain the effect of map scale or the limits of the location evidence.

Our explanation

Supported independent task

Complete this route only. Keep your own decisions; an adult may read, organise access or scribe your exact words.

- 1. Add one place or helper to a class map, with your own labelled copy.
- 2. Explain why the place or person matters.
- 3. Answer independently: what lies north of the hall on the practice map?

Help

Begin with one step. Read the sources with an adult, reduce the visible choice set and use: My contribution is _____. It matters because _____. North of the hall is _____.

Keep all required evidence; speech, pointing, drawing and exact scribing are available.

My outcome and supporting evidence

Check: individual contribution plus one independent location/pattern question.
