

Groups we belong to

Knowledge organiser

Learning goal

Share a group team or community I belong to.

Enquiry

Who helps us belong to a community?

Word	Meaning
community	People linked by a place or activity
care	An action that meets a need
belong	Feel included in a group
service	Work that helps people

Key knowledge

Yes, for example drawing, sport or helping the community.

The learner's symbol or drawing and a short explanation of belonging.

A frame to use

This group is _____. People _____. Someone can belong by _____.

Remember

Use a fictional person or place if preferred. The practice map is invented and is not a route to follow outside school.

Supported arrival

Begin with questions 1 and 2. Continue when ready. Choose one route; reading, pointing and exact scribing are available on every route.

A · Library books

B · Help desk

1 Which picture can help someone find a book?

Help: Choose A or B. Point first; an adult can record your choice.

2 Can belonging involve a shared activity?

Help: Read or listen to the relevant evidence card; point first.

3 Find “care” in word help. What does it mean?

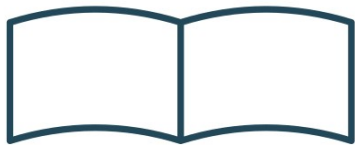

Help: Use the word and meaning cards together.

4 What evidence should the final outcome include?

Help: Use the source limit or map key as a clue.

Standard arrival

Begin with questions 1 and 2. Continue when ready. Choose one route; reading, pointing and exact scribing are available on every route.

A · Library books

B · Help desk

1 Which picture can help someone find a book? Explain your choice.

Help: Choose A or B. Point first; an adult can record your choice.

2 Can belonging involve a shared activity?

Help: Use one source detail or labelled map feature.

3 Explain care using an example.

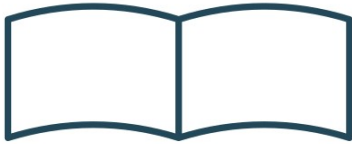

Help: Choose an example from the evidence cards.

4 What evidence should the final outcome include?

Help: State the reason for your answer.

Stretch arrival

Begin with questions 1 and 2. Continue when ready. Choose one route; reading, pointing and exact scribing are available on every route.

A · Library books

B · Help desk

1 Which picture can help someone find a book? What can this teaching picture not tell us?

Help: Separate the illustration from historical or personal evidence.

2 Can belonging involve a shared activity? Give supporting evidence.

Help: Name the source or data label.

3 How does care help answer today's enquiry?

Help: Explain the connection, not only the definition.

4 What evidence should the final outcome include? Explain a limit or further check.

Help: Think about what the supplied evidence leaves uncertain.

Evidence cards

Read or listen to the cards. Original historical records, authored summaries and fictional teaching cases are labelled separately.

A Alex and Sam

Fictional case: Alex is new to the youth club. Sam, a trusted club worker, explains the choices and shows Alex a quiet place.

Authored classroom case

Limit: This example does not describe every person or place.

B Library

A library lends books and can offer space to read or find information. Our practice map puts the library in square 1021.

Authored classroom case

Limit: This example does not describe every person or place.

C Health centre

The practice health centre is in square 1221. A receptionist helps people arrange appointments; trained health staff provide care.

Authored classroom case

Limit: This example does not describe every person or place.

D Park and hall

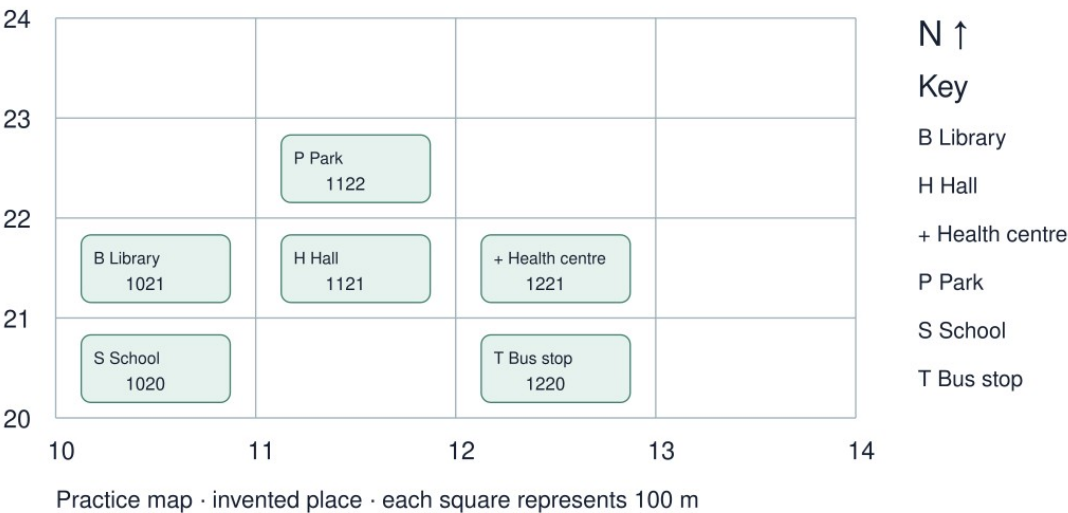

Our practice park is in 1122 and community hall in 1121. The hall hosts a drawing club with an optional quiet table.

Authored classroom case

Limit: This example does not describe every person or place.

Visual resources and data

Keep this page beside the shared and independent tasks.

Use the resource

Can belonging involve a shared activity?

What evidence should the final outcome include?

Shared investigation

Make a decision, check the evidence, then explain. An individual or private response can replace speaking to the group.

- 1. Build a short introduction for the fictional drawing club.
- 2. Choose an image, a purpose and an inclusion action.

Record	Our response

Question response	

Support choices

- Supported: Rehearse one point with a trusted adult and keep the frame visible.
- Standard: Explain three linked points with evidence, then answer a question.
- Stretch: Answer a challenge about the limits or selection of the evidence.

Our explanation

Supported independent task

Complete this route only. Keep your own decisions; an adult may read, organise access or scribe your exact words.

- 1. Create a symbol or drawing of a real or fictional group.
- 2. Explain its purpose and one way people can belong.
- 3. Share live, privately, through a recording or exact adult scribing.

Help

Begin with one step. Read the sources with an adult, reduce the visible choice set and use: This group is _____. People _____. Someone can belong by _____.

Keep all required evidence; speech, pointing, drawing and exact scribing are available.

My outcome and supporting evidence

Check: belonging outcome against unit criteria; retain best evidence.

Standard independent task

Complete this route only. Keep your own decisions; an adult may read, organise access or scribe your exact words.

- 1. Create a symbol or drawing of a real or fictional group.
- 2. Explain its purpose and one way people can belong.
- 3. Share live, privately, through a recording or exact adult scribing.

Help

This group is _____. People _____. Someone can belong by _____.

Check your evidence before adding a final explanation.

My outcome and supporting evidence

Check: belonging outcome against unit criteria; retain best evidence.

Stretch independent task

Complete this route only. Keep your own decisions; an adult may read, organise access or scribe your exact words.

- 1. Create a symbol or drawing of a real or fictional group.
- 2. Explain its purpose and one way people can belong.
- 3. Share live, privately, through a recording or exact adult scribing.

Help

Plan your answer using the source labels. Use the frame if useful.
Explain how the group could include someone with a different support need.

My outcome and supporting evidence

Check: belonging outcome against unit criteria; retain best evidence.

Exit ticket choices

Choose one route. Answer both questions individually using your normal access support.

Supported

Can belonging involve a shared activity?

What evidence should the final outcome include?

Help: Use the word bank and a named evidence card.

Standard

Can belonging involve a shared activity?

What evidence should the final outcome include?

Help: Include a source detail, location or value.

Stretch

Can belonging involve a shared activity? Justify with evidence.

What evidence should the final outcome include? Evaluate a limitation.

Help: Weigh the evidence and name a limitation.
