Use one-step instructions, symbols and a model first. Offer talk, point, draw, type or write. Reduce the number of choices; extend by asking for a reason or a second example. Adults prompt the first response then fade support.

Routes are flexible. Check the learner can begin within two minutes. Use reading, typing, exact scribing or oral responses without lowering the Humanities thinking. Fade prompts. Record what was independent. For a summative outcome, rehearse on a practice example and keep the final response individual.
