Scheme of work

GROW_A1_W01; Migration and identity in Britain; SOW page 15

Exact outcome: Place migration events on a timeline.

Teaching and application: Model one event/date placement; collaboratively sequence cards, then create an independent timeline with explanatory captions.

Assessment evidence: F: chronology check and two exit questions.

Forty minute sequence

Time	Stage
0–4	Arrival route
4–7	Starter and visual enquiry
7–13	Explicit model and optional captioned film
13–20	Shared interactive activity
20–22	Method check
22–34	Independent application
34–37	Review and improve
37–40	Two exit questions

Access and assessment

Chunk sources and tasks; pre-teach vocabulary with images. Offer sentence stems, organisers, oral rehearsal and typing. Start with one modelled example; extend through a second source, comparison or supported judgement. Check the learner can begin within two minutes, then fade prompts.

Routes are flexible. Check the learner can begin within two minutes. Use reading, typing, exact scribing or oral responses without lowering the Humanities thinking. Fade prompts. Record what was independent. For a summative outcome, rehearse on a practice example and keep the final response individual.

Stage scaffolding

Starter, model and shared task: Start with two cards and highlight the date or time word. Order the set, then explain one placement using its time cue.

Further challenge: Distinguish a chronological link from a causal explanation.

Review: check the exact required outcome before improving presentation. Retain first and revised responses when useful.

The scheme provides no approved unit codes. The centre must select the exact unit and check every requirement. These resources prepare evidence; task completion does not establish an award.

Calendar and editing

Schedule Black History Month, remembrance, Human Rights Day, Holocaust Memorial Day and International Women's Day against the school calendar. The SOW sequence controls week numbering. Word text and tables are editable; HTML is the editable lesson source. Recheck layout and keep source details and answers aligned after changes.
