

Teacher planning and alignment

Staff pages begin here. Print pupil routes selectively; keep answers separate.

Scheme of work

GROW_A1_W02; Migration and identity in Britain; SOW page 15

Exact outcome: Use a source to find out about migration to Britain.

Teaching and application: Model what it is, what it shows and what can be learned. Annotate a short source, select evidence and make a supported judgement.

Assessment evidence: F: source annotation and evidence selection.

Forty minute sequence

Time	Stage
0–4	Arrival route
4–7	Starter and visual enquiry
7–13	Explicit model and optional captioned film
13–20	Shared interactive activity
20–22	Method check
22–34	Independent application
34–37	Review and improve
37–40	Two exit questions

Access and assessment

Chunk sources and tasks; pre-teach vocabulary with images. Offer sentence stems, organisers, oral rehearsal and typing. Start with one modelled example; extend through a second source, comparison or supported judgement. Check the learner can begin within two minutes, then fade prompts.

Routes are flexible. Check the learner can begin within two minutes. Use reading, typing, exact scribing or oral responses without lowering the Humanities thinking. Fade prompts. Record what was independent. For a summative outcome, rehearse on a practice example and keep the final response individual.

Teacher answers and scaffolding

Core and exit answers

Employment.

No. It describes hopes, not all later outcomes.

Shared task feedback

Some men hoped for work → Supported. The message records employment hopes.

All were guaranteed jobs → Not established. Hope is not a guarantee.

It is an official message → Supported. The maker and recipient identify its type.

Arrival answers

Supported: 1. Moving to live in another place 2. Employment. 3. A reason something happened 4. No. It describes hopes, not all later outcomes.

Standard: 1. Moving to live in another place 2. Employment. 3. A reason something happened Accept a relevant example. 4. No. It describes hopes, not all later outcomes.

Stretch: 1. Moving to live in another place Accept an accurate contextual sentence. 2. Employment. 3. A reason something happened Accept a supported connection. 4. No. It describes hopes, not all later outcomes.

Stage scaffolding

Starter, model and shared task: Start with the source title and date. Find one explicit detail. Label origin, content and a claim the source can support.

Further challenge: Weigh purpose, missing voices and the question being asked.

Review: check the exact required outcome before improving presentation. Retain first and revised responses when useful.

Sources and evidence record

UAS mapping before submission

The scheme provides no approved unit codes. The centre must select the exact unit and check every requirement. These resources prepare evidence; task completion does not establish an award.

Record	Complete for this learner

Independent response and support used	
Decision and next step	

Calendar and editing

Schedule Black History Month, remembrance, Human Rights Day, Holocaust Memorial Day and International Women's Day against the school calendar. The SOW sequence controls week numbering. Word text and tables are editable; HTML is the editable lesson source. Recheck layout and keep source details and answers aligned after changes.
