

Teacher planning and alignment

Staff pages begin here. Print pupil routes selectively; keep answers separate.

Scheme of work

GROW_A1_W06; Migration and identity in Britain; SOW page 16

Exact outcome: Plan a structured account using evidence.

Teaching and application: Orally rehearse a sequence; use an evidence bank and paragraph frame. Draft an account and check three success criteria.

Assessment evidence: F: plan/draft with evidence, chronology and conclusion.

Forty minute sequence

Time	Stage
0–4	Arrival route
4–7	Starter and visual enquiry
7–13	Explicit model and optional captioned film
13–20	Shared interactive activity
20–22	Method check
22–34	Independent application
34–37	Review and improve
37–40	Two exit questions

Access and assessment

Chunk sources and tasks; pre-teach vocabulary with images. Offer sentence stems, organisers, oral rehearsal and typing. Start with one modelled example; extend through a second source, comparison or supported judgement. Check the learner can begin within two minutes, then fade prompts.

Routes are flexible. Check the learner can begin within two minutes. Use reading, typing, exact scribing or oral responses without lowering the Humanities thinking. Fade prompts. Record what was independent. For a summative outcome, rehearse on a practice example and keep the final response individual.

Teacher answers and scaffolding

Core and exit answers

Evidence identifies information that can support and be checked against a claim.

Evidence, chronology and conclusion.

Shared task feedback

Everyone moved for the same reason → Reasons differed across the cases. A records work hopes while C records forced departure.

D proves all support succeeded → D records a request for support. The request cannot prove delivery.

Arrival answers

Supported: 1. Moving to live in another place 2. Evidence identifies information that can support and be checked against a claim. 3. A reason something happened 4. Evidence, chronology and conclusion.

Standard: 1. Moving to live in another place 2. Evidence identifies information that can support and be checked against a claim. 3. A reason something happened Accept a relevant example. 4. Evidence, chronology and conclusion.

Stretch: 1. Moving to live in another place Accept an accurate contextual sentence. 2. Evidence identifies information that can support and be checked against a claim. 3. A reason something happened Accept a supported connection. 4. Evidence, chronology and conclusion.

Stage scaffolding

Starter, model and shared task: Repair one sentence using two options and the source beside it. Explain how each revision makes the claim more accurate.

Further challenge: Make a different valid revision and discuss its precision.

Review: check the exact required outcome before improving presentation. Retain first and revised responses when useful.

Sources and evidence record

UAS mapping before submission

The scheme provides no approved unit codes. The centre must select the exact unit and check every requirement. These resources prepare evidence; task completion does not establish an award.

Decision and next step	

Calendar and editing

Schedule Black History Month, remembrance, Human Rights Day, Holocaust Memorial Day and International Women's Day against the school calendar. The SOW sequence controls week numbering. Word text and tables are editable; HTML is the editable lesson source. Recheck layout and keep source details and answers aligned after changes.
