Remember

What can the telegram establish about motives? It records officials' report of employment hopes among some travellers.

Can it establish how every traveller understood their identity? No. It does not record all their personal views.

How to show your learning

Annotate A for provenance, content and likely purpose.

A was made by ____ for _____. Its content supports _____. For identity, its limit is _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

You can respond by speaking, pointing, drawing, typing or writing. A fictional personal example is welcome.
