A festival of light / BUILD_A2_W01

Outcome: Explore a festival of light and why it matters.

Evidence to retain: F: one accurate feature and its meaning.

Forty minute route

Arrival 4 min; starter 3; model 6; shared task 7; check 2; independent 12; review 3; exit 3.
Pause time is flexible.

Preparation

Choose one independent route. Print the evidence and shared cards, required visual or data sheet, route worksheet and exit. The organiser is one separate A4 page. Keep answers with staff.

Learn about observances without asking anyone to practise a religion. Use unlit objects. Dates and family practices vary.

Access and regulation

Use one-step instructions, symbols and a model first. Offer talk, point, draw, type or write. Reduce the number of choices; extend by asking for a reason or a second example. Adults prompt the first response then fade support.

Offer a predictable start, private response and agreed pause. No cold calling or forced personal disclosure. Rejoin at one clearly named next step. Keep teen-appropriate examples and the same learning goal across response modes.

Use sensitive content warnings where relevant. Do not ask for family details or personal experiences.

Assessment

Use questioning and the exit response to decide the next step. Record the learner's individual contribution and the access support used.

UAS: no approved unit code is supplied. Match the learner's evidence to the centre-selected unit and exact criteria before submission. This pack makes no automatic award claim.

Model and answers

Read these pages before teaching. Hide the model during independent assessment.
