

Grid references and navigation

Learning goal: Use an atlas and grid references to describe location.

Words to use

Word	Meaning
settlement	A place where people live
urbanisation	Growth in the share of people living in urban places
land use	What land is used for
GIS	Mapping information in separate data layers

Remember

What is the park's four-figure reference on the practice grid? 1122.

What does a four-figure reference identify? A grid square, not an exact point.

How to show your learning

Use the supplied grid to find three places.

Along the corridor, then up the stairs: easting ____, northing ____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

You can respond by speaking, pointing, drawing, typing or writing. A fictional personal example is welcome.
