

How a local place changes

Learning goal: Talk about how my local area has changed.

Words to use

Word	Meaning
past	A time before now
present	The time we are in now
change	Something that becomes different
continuity	Something that stays the same

Remember

What is continuity? Something that stays the same across the evidence being compared.

Can photographs alone always explain why a place changed? No. Another source may be needed for the reason.

How to show your learning

Annotate the two credited photographs.

In photo ____ I can see _____. In photo ____ _____. Both _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

You can respond by speaking, pointing, drawing, typing or writing. A fictional personal example is welcome.
