

Arrival choices

Previous lesson reminder:

A · Rotary phone

B · Smartphone

Start with 1 and 2. Try 3 and 4 when ready. Reading and exact scribing are available.

1 What information establishes the order?

Support: Use the reminder strip or talk it through with an adult.

My response

2 Which meaning fits past?

Support: Choose: A time before now OR The time we are in now.

My response

3 What is continuity?

Support: Use the model evidence anchor C or read one relevant card together.

My response

4 Can photographs alone always explain why a place changed?

Support: Give a reason when ready.

My response

Stretch: use a precise example or explain which detail supports your answer.

Evidence cards

Read, point or listen. Keep the source label with any detail you use.

A A fictional week

Monday: choose a club activity. Wednesday: practise the activity. Friday: share what was made. The words Monday, Wednesday and Friday supply the order.

Limit: This example does not describe every person or place.

B Telephone comparison

A rotary telephone and a smartphone both support conversations over distance. A smartphone can also show a video call; a rotary dial selects numbers differently.

Source: Authored comparison of familiar objects

Limit: A newer object is not automatically better for every person or purpose.

C Photo enquiry

Use the paired local photographs supplied with this unit. Read the captions and dates. Point to one feature in each image before deciding what changed.

Source: See photograph captions and credits

Limit: A camera angle or season can make features appear different; a photograph alone may not explain why.

D Questions worth asking

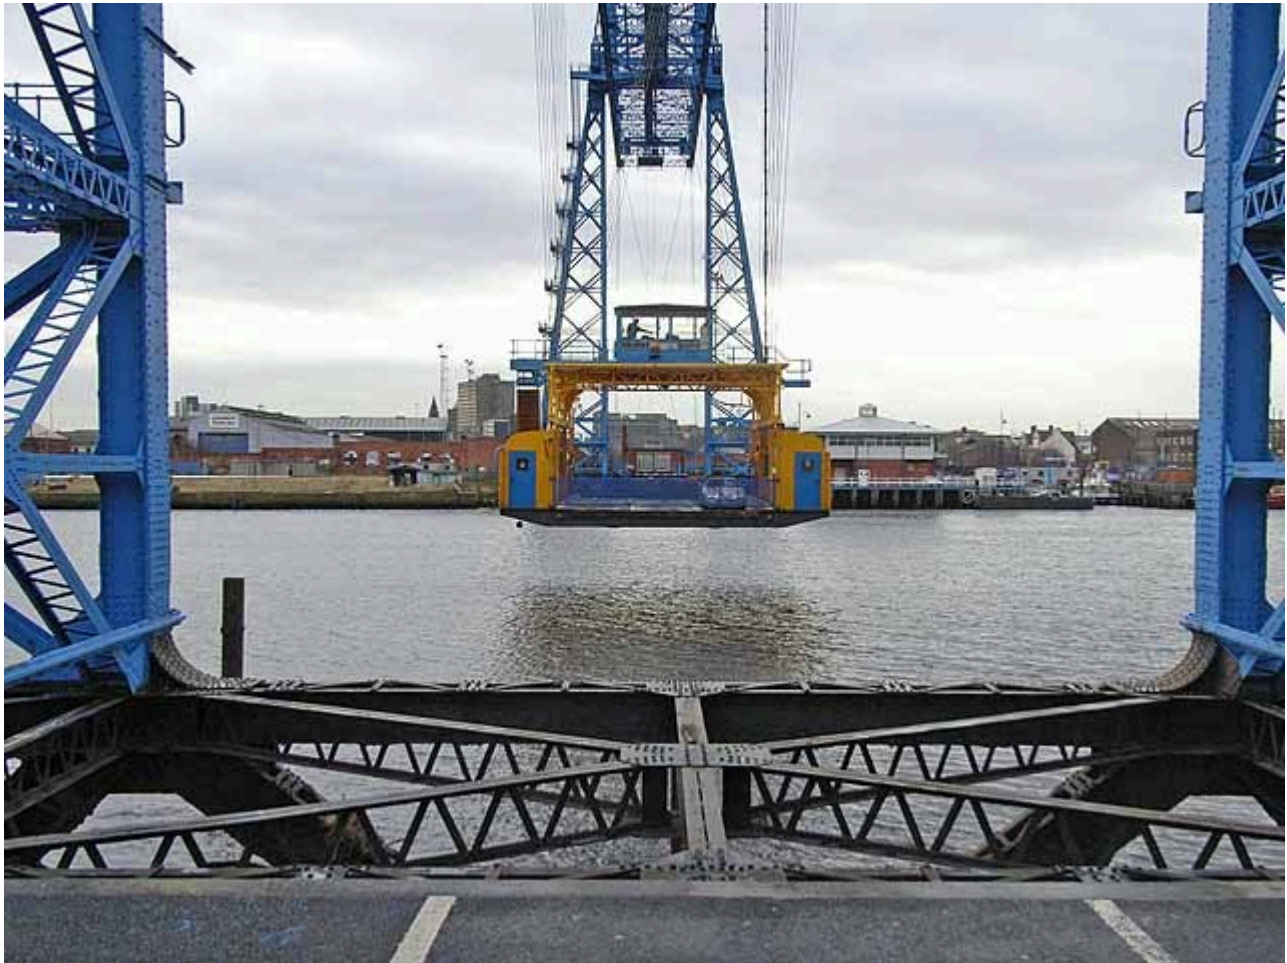

Who used this object? When was this photo made? A dated catalogue entry can help with time; a user's account can help with experience.

A detail I noticed and what it helps me explain

Shared investigation

1. Compare the local bridge photographs.
2. Mark one visible continuity and one visible change.

Work with a partner or adult, or use your own table. One person suggests; the other checks the evidence. Swap after one turn. Passing is allowed.

Use the evidence cards and any visual sheet. Follow the two shared steps above, then record one decision.

Our explanation

Support: Show two choices. Read one short instruction. Point, match or say a word, then add a reason when ready.

Further challenge: State a limitation caused by viewpoint and suggest another photo that would help.

Supported independent task

Complete this route only. Talk about how my local area has changed.

1. Annotate the two credited photographs.
2. Add one change and one continuity using arrows or numbered captions.
3. Record a careful spoken or written comparison.

Support: Show two choices. Read one short instruction. Point, match or say a word, then add a reason when ready. Complete the organiser one space at a time. In photo ____ I can see _____. In photo ____ _____. Both _____.
