Previous lesson reminder:

Start with 1 and 2. Try 3 and 4 when ready. Reading and exact scribing are available.

### 1 Was Parks' action separate from all earlier organising?

Support: Use the reminder strip or talk it through with an adult.

### 2 Which meaning fits protest?

Support: Choose: An action expressing opposition OR Choosing not to use a service or buy goods.

My response

### 3 Why was the bus system challenged?

Support: Use the model evidence anchor A or read one relevant card together.

My response

### 4 Why avoid saying Parks alone ended segregation?

Support: Give a reason when ready.

Stretch: use a precise example or explain which detail supports your answer.

## **Evidence cards**

Read, point or listen. Keep the source label with any detail you use.

### **A Before December 1955**

Rosa Parks had years of civil-rights organising experience, including work with the NAACP. Montgomery buses enforced racial segregation.

Source: US National Park Service, Rosa Parks

Limit: This later biography selects events; it is not a recording made at the time.

### **B 1 December 1955**

Parks was arrested after refusing to give up her seat to a white man on a Montgomery bus. Her action helped trigger a sustained community boycott.

Source: US National Park Service, Rosa Parks

Limit: One person's action should be connected to wider organisation and community participation.

### **C 1956 change**

The boycott and legal action challenged segregation. A Supreme Court ruling and pressure on bus revenues contributed to the desegregation of Montgomery buses.

Source: US National Park Service, Rosa Parks

Limit: Bus desegregation did not end all racism or inequality.

### **D Later work**

Parks moved to Detroit in 1957 and continued civil-rights work. In 1987 the Rosa and Raymond Parks Institute was established to support young people.

Source: US National Park Service, Rosa Parks

Limit: Later recognition is evidence of legacy, but not a measure of everyone's views.

## Shared investigation

1. Connect segregation, protest and desegregation.
2. Add the role of legal action to avoid a single-cause story.

Work with a partner or adult, or use your own table. One person suggests; the other checks the evidence. Swap after one turn. Passing is allowed.

## Move or match the cards

| Cards to use             |

Possible labels: Action / Cause / Consequence

Our explanation

Support: Read one evidence card together. Highlight a useful detail. Rehearse with: Because \_\_\_\_, people \_\_\_\_\_. Alongside \_\_\_\_, this contributed to \_\_\_\_\_.

Further challenge: Explain how two factors worked together.

## Supported independent task

Complete this route only. Explain causes and consequences of a protest movement.

1. Create a cause, event and consequence chain.
2. Explain the links using because and therefore plus evidence.
3. State one thing the change did not solve.
