

## Account and source evaluation

Learning goal: Complete a structured account and source evaluation and bank UAS evidence.

### Words to use

| Word         | Meaning                                    |
|--------------|--------------------------------------------|
| protest      | An action expressing opposition            |
| boycott      | Choosing not to use a service or buy goods |
| segregation  | Enforced separation of groups              |
| significance | Why a person or event matters              |

### Remember

What two products are required? A structured account and a source evaluation.

What should be retained with the work? The date, learner's individual contribution and support used.

### How to show your learning

Complete a structured campaign account.

My conclusion is \_\_\_\_\_. The biography helps with \_\_\_\_\_ but cannot \_\_\_\_\_.

### Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

You can respond by speaking, pointing, drawing, typing or writing. A fictional personal example is welcome.
