Account and source evaluation / GROW_S1_W06

Outcome: Complete a structured account and source evaluation and bank UAS evidence.

Evidence to retain: S: half-term assessment/review and UAS evidence.

Forty minute route

Arrival 4 min; starter 3; model 6; shared task 7; check 2; independent 12; review 3; exit 3.

Pause time is flexible.

Preparation

Choose one independent route. Print the evidence and shared cards, required visual or data sheet, route worksheet and exit. The organiser is one separate A4 page. Keep answers with staff.

No segregation simulation, forced role-play or repetition of racist abuse. Explain the discriminatory system clearly and recognise collective action.

Access and regulation

Chunk sources and tasks; pre-teach vocabulary with images. Offer sentence stems, organisers, oral rehearsal and typing. Start with one modelled example; extend through a second source, comparison or supported judgement. Check the learner can begin within two minutes, then fade prompts.

Offer a predictable start, private response and agreed pause. No cold calling or forced personal disclosure. Rejoin at one clearly named next step. Keep teen-appropriate examples and the same learning goal across response modes.

Use sensitive content warnings where relevant. Do not ask for family details or personal experiences.

Assessment

Use a different example for shared practice. During independent assessment, keep the agreed reader, scribe, glossary or response mode, but withdraw answer models and record prompts separately.

UAS: no approved unit code is supplied. Match the learner's evidence to the centre-selected unit and exact criteria before submission. This pack makes no automatic award claim.

Model and answers

Read these pages before teaching. Hide the model during independent assessment.

Question: Plan the two parts of the assessment.

Evidence: Read the assessment requirement: S: half-term assessment/review and UAS evidence.

Think aloud: The account explains changes over time. The source evaluation explains what the NPS biography shows and one perspective it leaves out.

Check: What should be retained with the work? The date, learner's individual contribution and support used.

Arrival answers

1. No. It should explain the links and changes.
2. An action expressing opposition
3. A structured account and a source evaluation.
4. The date, learner's individual contribution and support used.

Shared activity reasoning

Exit responses

What two products are required? A structured account and a source evaluation.

What should be retained with the work? The date, learner's individual contribution and support used.

Teaching and evidence record

Supplied scheme of work teaching sequence: Produce the account and evaluate a selected source; review learning across the unit and retain the strongest evidence.

Look for

S: half-term assessment/review and UAS evidence.

Accept accurate equivalents, including speech or exact scribing. Check the concept and use of evidence rather than length or handwriting. Record access support separately from content prompting.

BUILD: a concrete example with a reason or demonstrated action. GROW: explain or compare with a relevant detail. LAUNCH: connect evidence and reasoning; use a limitation when the outcome requires it. Keep RE responses non-GCSE.

Media

Original captioned teaching model made for this pack. It demonstrates the supplied reasoning; it is not historical footage, survivor testimony or a documentary. The full transcript and factual source credits are included.

Use manual steps for a calm pace. The silent MP4 has visible captions and a matching text transcript. External archive media is optional and should be previewed before class.
